Tees Valley Music Service

Dear parents and carers,

As a school we work closely with Tees Valley Music Service (TVMS). TVMS offer two ten week courses in Taiko and Steel Pan drumming for children in Y4 and Y5 each academic year. There is no additional charge to parents/carers for these lessons.

TVMS also offer 1:1 and group tuition in a range of instruments for children from Reception - Y6. These sessions are delivered by a visiting music specialist during the school day and there is an additional charge for children to attend these sessions. At the moment, TVMS currently visit school each Tuesday afternoon. School host the sessions but parents/carers are required to communicate directly with TVMS for registration, organisation and payment. TVMS then work with school to choose a suitable time for lessons to take place. Contact with TVMS can be made in the following ways:

Website: TVMS.org.uk/register

Email: tvms@tvms.org.uk

Phone: 01642 603600

On Thursday 10th October TVMS are delivering a special assembly to pupils to introduce the children to the different instruments they can learn and provide further information on tuition. Following this assembly the children will be given information regarding registration options; children will bring this literature home. Regardless of whether you would like your child to have the extra tuition or not, this will be a great opportunity for the children to learn more about musical instrument families and hear the instruments being played by a specialist musician.

If you have any further queries regarding tuition, please contact TVMS directly and speak with Jud Down who is the coordinator for our school.

Yours sincerely,

Miss Connor
(Music Lead)
